

**UNIVERSITY OF CALIFORNIA, SANTA BARBARA  
OFFICE OF TECHNOLOGY AND INDUSTRY ALLIANCES**

**COPYRIGHT ASSIGNMENT**

Name of work under development:

**WhatEvery1Says Project, or WE1S** (the “Work”)

1. I acknowledge and agree that under the University of California Copyright Policy or as a “work made for hire” under U.S. Copyright Law, The Regents of the University of California (“The Regents”) may be the owner of all title and interest to the Work and to my contribution to the Work, if any, including any copyrights thereto. In the event that it is determined that the University of California is not the owner of the Work or my contribution to the Work, if any, I hereby irrevocably assign to The Regents all rights, title and interest that I may have to the Work or to my contribution to the Work, and any copyrights thereto, including any future contributions I may make to the Work. I further agree to promptly execute any additional documents or forms that may be required by The Regents in order to effectuate said assignment and to allow The Regents to register the works with the U.S. Copyright Office.
2. It is my intention that my contribution to the Work, if any, be merged into inseparable or interdependent parts of a unitary whole and that the work will constitute a “joint work” as defined by U.S. Copyright Law.
3. My contribution to the Work, if any, will be new and original. I will not use any pre-existing copyrightable or trademarked images, writings or other proprietary materials (“Pre-Existing Materials”) in the Work without the prior written permission of the Work’s project leader. In the event that I use any Pre-Existing Materials in the Work in which I have an interest, University is hereby granted and shall have a non-exclusive, royalty-free, irrevocable, perpetual, worldwide license (with the right to sublicense) to make, have made, copy , modify, make derivative works of, use, perform and display publicly , sell and otherwise distribute such Pre-Existing Material in connection with the Work. The Regents intend to make the Work available through an appropriate open source license.
4. I understand that the distribution and/or licensing of the Work shall be managed by The Regents in its sole discretion. Any revenue received by The Regents in connection with licensing the Work to third parties will be distributed in accordance with the UCSB Policy on Distribution of Copyright Licensing Income (April 2007), as amended from time to time.
5. I understand that if I have any questions about this Copyright Assignment or the management and licensing of copyrighted works by The Regents, I can contact the Director of the Office of Technology & Industry Alliances, at 805-893-5180.

[6. *For students: I understand that I am not required to participate in the development of the Work. However, if I do decide to participate, that execution of this Copyright Assignment is required.*]
